the global voice of
the legal profession

Ladies and Gentlemen,

We are pleased to present the 2nd Polish Ukrainian Legal Day to be held at the Royal Wawel Castle in Krakow, Poland on September 25-27, 2014.

Following on from our successful event in 2012, we will again welcome participants from the Polish and Ukrainian jurisdictions to discuss the present situation, opportunities and perspectives for the development of Polish-Ukrainian cooperation in the context of Ukraine's striving towards European integration.

In recognition of this, in addition to the important sessions surrounding business and investment issues, the aim of this year's Polish-Ukrainian Legal Day is to develop and strengthen real cooperation between the representatives of both the legal communities in Poland and the Ukraine.

In light of this, issues connected with the signing of the EU Association Agreement, the Polish perspective and experience as well as Ukrainian expectations will also be discussed. Two panel sessions will also be devoted to the topics such as: Antitrust, Dispute Resolution, Corporate/ M&A and Tax developments in recent Ukrainian and Polish legislation and jurisprudence.

Kind regards,

PULD organizers
